NORTH CENTRAL REGION MEETING

Hosted by
Spencer WWTP

June 17, 2010

Regional News

It's time for Operator of the Year nominations. Please nominate a deserving North Central Region operator.

Information on the award and the nomination forms is found at WWOA.Org/Our Organization / Annual Awards.

Deadline is July 1, 2010. Submit form to any Steering Committee Member.

Don't stop there. Nominate someone for any of the annual wards. Don't be bashful.

Mark your calendars for the Northwoods Collection Seminar, hosted by Marshfield on July 29. Informative breakout sessions, vendor displays, demonstrations, refreshments, lunch, and raffles. Take advantage of a top notch training opportunity in your own back yard. Watch for upcoming information.

Nominations for two Steering Committee seats are being accepted until July 1, 2010. Nominate another individual or yourself. Contact any Steering Committee Member for more information.

Take part in the Operator Competition at the annual conference. Contact Lyle Lutz or Ken Bloom for more information.

Steering Committee Members

Lyle Lutz (2011) - Chairman

Matt Saloun (2010) - Vice Chairman

Ken Bloom (2010) - Treasurer

Rich Boden (2012) - Secretary

Ron Dickrell (2012)

Terry Vanden Heuvel (2011)

5.0 CEU's available for Wastewater & Septage

CITY OF SPENCER

With great community pride and spirit, the Village of Spencer enjoys a traditional, country lifestyle. Spencer is conveniently located in central Wisconsin at the intersection of state highways 13 and 98. While centrally situated within short distances of north-central Wisconsin's major cities, Spencer is a growing community that thrives on its country roots. Spencer is served by two colleges, the southwest campus of Northcentral Technical College, located in Spencer, and the University of Wisconsin-Extension, a 2 year college in Marshfield, 8 miles south of Spencer. Spencer and its surroundings offer a variety of recreation activities, ranging from outdoor sports to arts entertainment. The area provides excellent opportunities for hunting and fishing. In winter, snowmobiling and skiing are popular. Snowmobile enthusiasts are able to choose from more than 900 miles of snowmobile trails in Marathon County. Rib Mountain, 50 miles away, attracts downhill skiers, and the region has many scenic trails for cross-country skiers. In addition to sports, our community enjoys the arts. Spencer is the proud home of the Lucille Tack Center for the Arts, which hosts performances by regional and well-known entertainers.

Saint John's Church is located one mile north of Spencer on Hwy 13. Contact Chris Helgestad at **715-659-5404** with any questions.
