

## General Information

This one-day seminar, sponsored by the Wisconsin Section of the Central States Water Environment Association and Wisconsin Wastewater Operator's Association, will provide a chance to hear experts on various collection system topics during the morning session. The afternoon will include vendor and manufacturer demonstrations and displays on a variety of equipment relating to collection systems. In addition, a prize raffle will take place later in the afternoon.

- Mail enrollment form early. Limit 200.
- Registration fee includes coffee and soda breaks, lunch, afternoon displays and raffle.
- Afternoon demonstrations and displays at Riverside Park. Alternate rain site at Watertown Street Garage.
- DNR Credits  
3.5 Morning Session  
2.0 Afternoon Demonstrations
- For Lodging and Additional Information, contact Paul Lange at Watertown (920) 262-4085
