MEETING HOSTED BY BURLINGTON

Our excellent hosts on June 13 were Connie Wilson and her staff. The site was the Wild Mushroom, just south of town.

98 people came and enjoyed a full day of presentations, vendor booths, networking with fellow operators, a raffle, and fabulous food, including pastries & fruit, homemade pretzels with dip, roasted chicken & fixings.

Presentations were given on the Obtaining Equipment at Low Cost, Digester Mixing, SCADA, Protective Coatings, and Energy Audits.

The business meeting continued the discussion about adding the Pledge of Allegiance to our future meetings, opportunities to host upcoming meetings, regional awards, and regional elections to be held in August.

Many attendees completed the day with a tour of the Burlington WWTP.

Special thanks to Connie, Karen, and the rest of the Burlington staff for their diligent efforts toward making this a great meeting!

And many thanks to our generous vendors for their continued support!

You never know what you'll get
at these SE Region Meetings!
