3RD ANNUAL ROAST IS BIGGEST & BEST

The sun shone and the people came. A total of 115 SE Region professionals turned out for the 3rd annual pig roast hosted by the Brookfield Fox River Water Pollution Control Facility.

The morning commenced with round table discussions over breakfast. The topics of Lab, Safety, Process, and Collection systems were discussed as attendees brought their concerns before their peers.

New and innovative technologies were highlighted in the day's formal presentations, including electro-ionic disinfection and a new method of phosphorus removal. Jack Saltes of the DNR spoke about the changes at the DNR and in regulations.

During the business meeting, the SE members voted to add the recital of the Pledge of Allegiance to our future meetings, and elected two new officers – Kris Gauger as Vice-Chair and Jeff Deitsch of Jackson as Treasurer.

Tours of the Brookfield WPCF followed a detailed review of the plant's history and operations by Strand Assoc. and Ruckert & Mielke. The pig & corn roast was enjoyed by all at Brookfield's beautiful Mitchell Park.

Thanks to Ron Eiffler, Marilyn, and the rest of the Brookfield staff for their efforts toward making this a great meeting!

The SE Region also appreciates the financial support of our many generous vendors!

WE COULDN'T DO IT WITHOUT YOU!

An intense round table discussion.

Breakfast is served.
