JACKSON HOSTS FEBRUARY MEETING

134 operators took advantage of the excellent meeting organized and hosted by Jeff Deitsch & staff of the Jackson WWTP.

Presentations were given on the DNR Lab Certification Program, Biological Phosphorus Removal at Jackson, and the Pros & Cons for Influent Screens and Compactors.

The business meeting highlighted a discussion of adding the Pledge of Allegiance to our future meetings, opportunities to host upcoming meetings, and our returning operators competition team.

After lunch & a bountiful raffle, attendees headed out for a tour of the Jackson WWTP. **Many thanks** to Jeff & his staff for their outstanding work, and to our vendors for their continued support!
