2. Layouts of copy should be in black and white only: no colored inks.
3. Reduced rate is based on the same copy being used for each consecutive issue. **Each change of copy will result in higher charges, according to the number of issues in which change copy is used.**
4. Agencies are entitled to one copy of an issue regardless of the number of advertisements placed by the agency in the publication.
5. Agency commissions are not deductible from advertising rates.
