Sponsor’s Employer Occupation Phone (with Area Code) WWOA Member No.

Address (Street) (City) (State) (Zip)

Please attach a summary of your academic plans and career goals in essay form. Discuss the reason you chose your field of study and explain how it relates to the wastewater treatment industry. Discuss what type of career you are aspiring to and explain what steps you have taken to work toward this career goal so far. Include any other personal or professional details you would like the scholarship board to know when considering your application. Essays must be at least 1 page, but no more than 2 pages in length.

I certify that the information submitted is true, and I understand that falsification of any information by me to the Wisconsin Wastewater Operators’ Association for scholarship consideration may result in loss or forfeit of any scholarship funds.

I authorize any College or University to furnish and release academic performance to the Wisconsin Wastewater Operators Association pursuant to this application.

I certify I have read and understand the eligibility requirements of this scholarship application and agree to all decisions of the WWOA Scholarship Committee as final regarding the disposition of this application.

Revised March 2020
NORTH CENTRAL LABS (NCL) SCHOLARSHIP AWARD CRITERIA

PURPOSE:
To financially assist a full-time student currently enrolled in an accredited college or university studying sanitary engineering or other wastewater related degree programs, with award preference given to a relative of a Wisconsin Wastewater Operators’ Association (WWOA) member.

ELIGIBILITY:
1. Four-year degree applicants are eligible.
2. The applicant must have a cumulative grade point average of at least 2.50.
3. Preference will be given to applicants nominated by a current WWOA member.
4. Preference given to applicants that are second semester or beyond in studies related to the water/wastewater field. (Reason: It implies a commitment to this career field.)
5. A full-time student is defined by the college or university the student attends.

AWARD:
NCL scholarship is given annually. One $5,000 scholarship per year, paid out over two years ($2,500 directly to the College Department of Student Financial Aid). Funds will be available before the beginning of the next school semester.

APPLICATION PROCEDURE:
Interested applicants should complete the application (access at wwww.org). WWOA and/or Scholarship Committee Chairperson must receive completed application forms postmarked no later than July 1st of each year to be eligible. Applications postmarked after July 1st deadline might not receive consideration. Certification of all applicants requires WWOA receipt of the following:
1. Completed application form
2. Essay summarizing your academic plans and career goals (please be specific; essay must be at least one page but no more than two pages)
3. Official transcript of grades
4. Outline of courses for college completion

Failure to submit the required documentation identified above will be grounds for denial of application. Applicants will be reviewed by the Scholarship Committee.

Recommendations for final award will be submitted to Mr. Mike Raynovic, Owner, NCL. Final selection approval will be made by Mr. Raynovic.

WISCONSIN WASTEWATER OPERATORS’ ASSOCIATION SCHOLARSHIP AWARD CRITERIA

PURPOSE:
To financially assist a full-time student currently enrolled in an accredited college or university studying civil, environmental, or sanitary engineering or other wastewater related degree programs, with award preference given to students referred by a WWOA member.

ELIGIBILITY:
1. Preference given to applicants nominated by a current WWOA member.
2. Preference given to applicants that are second semester or beyond in studies related to the water/wastewater field. (Reason: It implies a commitment to this career field.)
3. Both associate degree and four-year degree applicants are eligible.
4. The applicant must have a cumulative grade point average of at least 2.50.
5. A full-time student is defined by the college or university the student attends.

Scholarship award recipients are not eligible for subsequent WWOA scholarships (this does not include scholarships funded by others but reviewed by WWOA).

AWARD:
Three WWOA scholarships are given annually. Each for $1,000 (two sponsored by WWOA and one sponsored by Crane Engineering). Scholarship Funds will be available to be paid directly to the College Department of Student Financial Aid. Funds will be available before the beginning of the next school semester.

APPLICATION PROCEDURE:
Interested applicants should complete the application (access at wwww.org). WWOA and/or Scholarship Committee Chairperson must receive completed application forms postmarked no later than July 1st of each year to be eligible. Applications postmarked after July 1st deadline might not receive consideration. Certification of all applicants requires WWOA receipt of the following:
1. Completed application form
2. Essay summarizing your academic plans and career goals (please be specific; essay must be at least one page but no more than two pages)
3. Official transcript of grades
4. Outline of courses for college completion

Failure to submit the required documentation identified above will be grounds for denial of application. Applicants will be reviewed by the Scholarship Committee. The committee will make recommendations for awards to the WWOA Board of Directors. Final selections will be made at the annual August Board of Directors meeting.
